It is YOUR responsibility to comply fully with them. Please pay particular attention to those conditions which have to be met before work commences, such as obtaining approval for the siting and levels of buildings and the protection of trees on the site. If you do not comply with all the conditions in full this may invalidate the permission.

- If your development has been identified as being liable for CIL you need to email Form 1: CIL Additional Information, Form 2: Assumption of Liability and Form 6: Commencement Notice to cil.s106@southwark.gov.uk as soon as possible, so that you can be issued with a Liability Notice. This should be done at least a day before commencement of the approved development.

We have considered the application in light of our statutory policies in our development plan as set out in the officer's report.

4. Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If an enforcement notice is or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, OR within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.

- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
