Proposed dormer & roof light – 34 Shaw Green Lane, Prestbury, Chelt

Sustainability Statement

This application is for the insertion of a new dormer window and rooflight to the front elevation.

The dormer window will match that already existing adjacent. The window will be an A rated double glazed Upvc unit as per all of the existing windows.

The insertion of this dormer and rooflight will have no impact on sustainability or climate change.

Should you have any queries or requests relating to the application, please contact the undersigned either via email: adam@aclarkedesign.co.uk or by phone on: 01242 620064

Regards,

A handwritten signature in black ink, appearing to read 'Adam Clarke', with a horizontal line underneath.

Adam Clarke.
