Description of Proposed Works to Listed Building

Are the proposals to alter, extend or demolish the listed building(s)? *

Yes No

If Yes, please provide further details: * (Max 500 characters)

The proposal seeks to introduce an additional storey to the existing side extension. The design intent is to increase the usable habitable space within the dwelling to make it a suitable family home. The existing single storey side extension is not of high architectural quality and the proposed additional floor will achieve a two storey extension which we consider is more commensurate with the original villa, whilst remaining subservient in terms of scale and height.

Has the work already been started and/or completed? *

No Yes – Started Yes - Completed

Please Note: it can be a criminal offence to undertake works that require listed building consent in advance of obtaining consent.
