Details of the pre-application advice received

The Principal Conservation Officer, who also attended the site meeting, has provided the following comments in relation to the amended plans:

“The revisions have moved the extension away from the kiln as requested and now come off the modern dwelling. The conversion of the kiln has a less domestic appearance. Although there are more openings, there is no significant harm to the character of the kiln. There is an opportunity to reuse the bricks from these new openings to brick up the existing front elevation large opening and the area of mismatched bricks adjacent.

On this basis an application along these lines is likely to be acceptable from a heritage perspective.

The proposed extension appears relatively modest in terms of its overall scale.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.
