Your Ref:

Dear Mrs Kieniewicz,

TOWN AND COUNTRY PLANNING ACT 1990

PLANNING REFERENCE: 23/05170/AMP

PROPOSAL: Non-material amendment to planning permission No. 22/04219/FUL (formation of duo-pitched instead of flat roof at junction between extension and existing dwelling)

LOCATION: 22 Shrewsbury Road, Church Stretton, Shropshire, SY6 6JB

I refer to the above application to amend an extant planning permission.

I am pleased to confirm that the amendment described above and shown on your latest revised drawings referenced J3123-1120-06 R2, J3123-1200-06 R2 and J3123-1220-06 R2 (received by the local planning authority today) is acceptable without a further full planning application. This is because it is minor in the context of the overall scheme, and would not increase the extension's overall height or otherwise significantly alter its outward appearance.

Please note that in all other respects the development must be carried out in accordance with the terms and conditions of the original permission.

Yours faithfully,

Trystan Williams
