Dear Sir/Madam,

I have just received a letter regarding planning for 9 bungalows to be erected with access and parking from Ruxley Close. This is totally unacceptable.

The road and parking is congested at all times during the day and night without further traffic contributing to the problems.

By all means build the 9 bungalows but access should not be allowed through Ruxley Close.

The owners of the land in question own a property on Renda Road which gives access to the land in question. I suggest they use that as an alternative.

Once again I object most strongly to access being allowed from Ruxley Close and I know of at least 4 other householders who will object. I strongly suggest that find another access point.

Kind regards
Alex Scott
