Mrs J Adams, 15 Ruxley Close, Holbury, Southampton SO45 2PH

The proposed planning application 23/11296 to erect 9 bungalows with parking accessed from Ruxley Close. Ruxley Close is a narrow road with access to footpaths and garages for residents. The road is not suitable for heavy lorries transporting building materials etc. It could hamper residents access to their garages. There would also be considerable disturbance from noise, dust and fumes if Ruxley Close is used as access. I have no objection to the bungalows being built, however Ruxley Close, in my opinion, is totally unsuitable to be used as an access road.
