Details of the pre-application advice received

Single Storey Gable End Rear Extension

Based on the information provided, the proposed extension would appear to represent development which 'wraps around' the rear corner of the property and extends further forward than the property's existing outhouse. Such development is not permitted by the Town and Country Planning (General Permitted Development) Order 2015 (as amended) and as such, the proposal will require planning permission from the Council, acting in its capacity as Local Planning Authority.

The submitted details would appear to indicate that the proposed development is unlikely to give rise to any significant concerns in respect of visual and residential amenity, and so would accord with the objectives of policy BH1 of the Council's Core Strategy and Development Plan. As such, an application for the proposed development is likely to be looked upon favourably, although a full assessment can only be made once detailed drawings have been submitted for consideration.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.

Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days?

- Yes
- No

Is any of the land to which the application relates part of an Agricultural Holding?

- Yes
- No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
