Dear Resident,

RE: Proposed Works at 34 Belgrave Mews South

We have been appointed to undertake the Construction Traffic Management Plan for the proposed works at 34 Belgrave Mews South. We will notify you at a later date confirming the start date for the works.

All works will be undertaken as per the Construction Traffic Management Plan which has recently been submitted to Westminster Council for approval. A copy of this CTMP can be emailed to you. Should you wish to receive a copy of the CTMP, please email admin@noblestructures.co.uk or call 0207 148 1595.

I would welcome any comments you may wish to make on the proposals within 14 days of the date of this letter and I will be very happy to address your comments prior to finalising the Construction Traffic Management Plan with Westminster Council.

Should you require any further information or clarification please do not hesitate to contact me.

Yours sincerely

Fursey Costello
Director
