Croxley Green –2 Kenilworth Drive

I act for Dorothy Creedon-Wilkes who owns and occupies 2 Kenilworth Drive. Ms Creedon-Wilkes is registered disabled (see enclosed blue badge) and has long term health issues. The extension has been designed such that she can have 'at home' care whilst her family stay in occupation.

The extension is for two bedrooms, one of which will act a living area for the applicant when she is unable to leave the dwelling. The balcony will enable the applicant to access the outside without the need to use stairs (she will eventually become housebound).

Yours sincerely

James Crawley
