Description of Existing Use, Operation or Activity

Please describe the existing uses, building works or activities for which you want a lawful development certificate. Where appropriate, show to which part of the land each use building works or activity relates

We're unable to provide evidence of planning permission for a conservatory which has been in place since at least 2015, therefore, the 4 year rule applies. The conservatory is a small extension of the living room at the back of the house adjacent to the kitchen. It is out of view of the main road, is single storey and does not impact any views or light for the surrounding area and neighbouring houses.

Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

- The use began more than 10 years before the date of this application
- The use, building works or activity in breach of condition began more than 10 years before the date of this application
- The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- The use as a single dwelling house began more than four years before the date of this application
- Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).
