Remodel Bedroom 3 and the bathroom area to create a bedroom with ensuite and a family bathroom.

Remodel the existing Kitchen and Dining Room into a kitchen and separate utility room with a toilet and basin at one end of the utility room, so that it has a door. The utility room will just have a washing machine and dryer; The current arrangement is not desirable for permanent occupation.

A conservatory off the backdoor in a design and size that is sympathetic to the home. The conservatory runs East-West - almost from one fence (near the River) to the party wall. French doors from the conservatory onto the courtyard (created by the conservatory) facing back into the house and French doors from the new kitchen also into the courtyard. There would also need to be another door into the conservatory from the back gate side of the conservatory.
