The property is currently HMO licenced. We hope to change the use of the property into a residential home. Previously, the property was used to accommodate 18+ professional adults. Why do you consider that a Lawful Development Certificate should be granted for this proposal?

Our intention is to establish a secure and well-suited Children's Home that can offer compassionate care and support to vulnerable children who require a nurturing living environment. We are well aware of the scarcity of appropriate children's homes catering to the needs of vulnerable young people. Our selection of this specific location for our facility is based on its favourable reputation, with the aim of providing the children we accommodate with a fresh start and a brighter future.
