COMMUNITY INFRASTRUCTURE LEVY (CIL):
Projects may attract the CIL levy payable to the Local Authority as noted on the relevant Planning Permission Decision Notice. If this is the case, the applicant can apply for an exemption on the basis of self-build, an annexe, or an extension to your primary residence but this must be done before commencement of construction otherwise the levy will become payable. The applicant must also submit a CIL Commencement Notice before commencement of construction otherwise the levy will become payable without right of appeal.
