RR105B - Running Outlet To 68mm Round Downpipe.

Our rainwater systems range offers a comprehensive selection of rainwater solutions. Practical options that don't just provide the correct technical solution, but also offer versatile aesthetic options for both residential and light commercial use. With nine different profiles with five colour alternatives, the choice makes it easy to find a matching product for any new build or replacement project. It also includes high capacity rainwater systems and the premium Elegance range – our PVCu alternative to classic cast iron that looks virtually identical but can be installed with a lot less of the old fashioned hard work.

Product Code RR105B

Sector ▼

Size 112MM

Colour  Black

Technical Information

EAN No: 5022733012643
 Gross Weight Kg: 0.26
 Width mm: 127
 Material: PVCu

Sales Unit: EA

Net Weight Kg:
0.2600

Length mm: 193

Kitemark:

Manufacturer: Polypipe (https://www.polypipe.com)

Pack Qty: 10

Manufacturer:
Polypipe Building
