Eligibility

This permitted development right was amended on 1 August 2021 to no longer include changes of use from shops and financial/professional services.

If your proposed change of use is from Use Class E (e.g. from shops or financial/professional services):

- You should not continue with this application as it will be refused by the Local Authority and you may not be eligible for a refund.
- There are now specific permitted development rights to cover changes of use from Use Class E (e.g. from shops; or financial/professional services) to Use Class C3 (dwellinghouses) that require a 'Prior Approval: Change of use - commercial/business/service to dwellinghouses' application.

If your proposed change of use is from a Sui Generis use (e.g. a takeaway; betting office; pay day loan shop; or launderette), then this type of application is still valid for eligible proposals.

Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible. The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.

The questions below will help determine if the proposals are eligible for this permitted development right.

Please note: Any new dwellinghouse will only be eligible for permitted development rights if it has a gross internal floor area of at least 37 square metres, and complies with the [nationally described space standard](#).

Was the use of the building on 20th March 2013 (or the last use before that date) one of the following:

- a mixed use combining use as a dwellinghouse with one of the above uses;
