

Design Revisions / Additional Details Information:

Where noted "Additional Detailing Provided" - please refer to 3D views on separate drawings for proposed verge detail and brick corbel.

Indicative colour coding:

- Items - small amendments to proposed elements
- Items - additional details provided for clarity
- Items - changes / updates from planning

Item summary:

- A - as noted 2 large apex glazed windows changed to flat head to avoid works in loft area - rooms no longer to have vaulted ceiling.
- B - as noted 3 sections of open slatted roof - extents to be reduced.
- C/D - Sunroom glazing extent to be reduced window amended and brick panel increased
- E - as noted 2 existing side windows in lower ground games room to be retained / sizes amended.
- F - front elevation - to include open slatted roof section to match rear elevation slatted opening.
- G - as noted to 3 no front gables brick banding to be omitted with newly supplied brick match - due to varying building level a consistent band could not be achieved. (note feature brick detail window surrounds to be retained)
- H/I - n/a
- J - Front elevation single kitchen window increased to triple casement to match updated front gables
- K - as noted 3 feature gables - original 2 separate independent windows to be replaced with a central triple casement window.
- L - Front elevation porch design revised - brick porch with canopy and brick detailing to match (to replaced previously proposed oak porch - which was not consistent with the brick detailing throughout)
- M - Glazing widened to 4 panes
