

**86 EAST END LANE, DITCHLING BN6 8UR:**

**NOTIFICATION OF PROPOSED WORK TO TREES IN CONSERVATION AREA – DEC 2023**

<u>Tree</u>	<u>Species</u>	<u>Proposed work</u>
T1	Robinia pseudoacacia	Reduce height of crown by 1.0m and crown reduction 25%. Cut back branches overhanging highway.
T2	Hornbeams x 2	Reduce height of crown by 1.0m and crown reduction 30% to improve light to house. Cut back where overhanging highway.
T3	Cypresses (group):	Reduce height of crown by 0.9m, crown reduction (25%) to improve light to house (work will be carried out so as to minimise effect on views of house from East End Lane).
T4	Yew	Cut back branches overhanging boundary to neighbouring property.
T5	Ash	Remove dead wood

The proposed work is not considered to have any arboricultural implications as it is limited to:

- (i) Crown reduction not exceeding 25% and reducing height of crown not exceeding 1.0m.
- (ii) Cutting back branches overhanging highway or neighbouring property.
- (iii) Removal of dead growth to 1 tree (T5).
