- Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

Please state why a Lawful Development Certificate should be granted

3 Green St. was purchased in June 2013 with an existing HMO license (10/00505/HMOLIC issued to Dr Anupam Verna on the 12/8/2010) with an AST tenancy agreement also in place. We were not made aware at the time that a Lawful Development Certificate should have been applied for in 2012 by the previous owner.

HMO licenses and AST tenancy agreements have been in place from 2013 to present in my name, and prior to this in the name of Dr. Anumpam Verna

Article 4 restrictions were introduced in 2012 to restrict HMO development. Since 3 Green St. was already in use as an HMO, we would now like to apply for a retrospective certificate.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
