written permission © 2023.

All dimensions are in millimetres unless stated otherwise. This drawing should be read in conjunction with all other relevant information, specifications & schedules.

A 100mm long line is provided on the bottom left corner of the drawing to ensure the correct scale has been used when printing this drawing. use only figured dimensions. All dimensions to be checked on site prior to commencing work and any discrepancies to be advised immediately.

Holt Architectural Ltd are responsible for the `Architectural` design elements included on this drawing only.

Architectural design has been carried out with due consideration for the safety during construction, occupation and maintenance of the finished structure.

The works contain no extraordinary hazards or risks that are not present during routine construction operations that would not readily be apparent to a competent contractor. This information should be included as part of the commencement of the Health and Safety File for the project.
