Details of the pre-application advice received

Mr Richard Scott visited our property in late November not quite sure of the exact date.  
At the time he said it was a permitted structure as its a Pergola and within the correct dimensions.  
We received a letter from Mr Richard Scott 06.12.23 stating how impressed he was with the quality of the design of the pergola and how it matched the host building in terms of colour materials and design and that local planning permission was not required.  
However following a desktop research of the original planning approval ( (N/192/02458/18 dated 02.06.14 i indeed do need planning permission.  
We moved to this property 23.09.2022 and was not aware of any restrictions it did not cross my mind or Rase Outdoor Living from Caistor (whom the Pergola was purchased and Installed by) they also assured me planning approval was not required. I hope you look on this application favourably as it was not my intention tom break any planning regulations.

**(a) a member of staff**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
