At the end of this period the use hereby permitted shall cease, all structures, materials and equipment brought on to, or erected on the land, or works undertaken to it in connection with the temporary agricultural workers use, shall be removed, and the land restored to its condition before the development took place.

Reason: Permission has only been granted on a temporary basis to meet an identified need for the accommodation proposed, in a location where isolated new residential accommodation would not otherwise normally be permitted.

4. **Drainage - Foul (Pre-commencement)**

No development shall commence until a detailed scheme for the disposal of foul drainage from the development has been submitted to and approved in writing by the Local Planning Authority. The development shall thereafter be carried out in accordance with the approved details and completed prior to the occupation of the dwelling(s).

No commercial occupation shall commence until details of the proposed method for the storage and removal of waste (manure) arising from the development have been first submitted to and approved in writing by the Local Planning Authority. The development shall thereafter be operated in accordance with the approved details and there shall be no storage and disposal of waste other than in accordance with the approved scheme.

Reason: In the interests of the amenity of neighbours.

7. **Agricultural Occupancy (Compliance)**

The occupation of the temporary dwelling hereby approved shall be limited to a person solely or mainly working, or last working, in the locality in agriculture, forestry or other rural occupation, or a widow or widower of such a person, and to any resident dependants.

Reason: Permission has only been granted on the basis of a specified need for a rural worker, in a location where isolated new dwellings would not otherwise be permitted having regards to Policies CP1 and CP2 and DP13 of the Mendip District Local Plan Part 1: Strategy & Policies 2006-2029 (Adopted 2014).

Informative(s):

1. **Condition Categories**

Your attention is drawn to the condition/s in the above permission. The heading of each condition gives an indication of the type of condition and what is required by it. There are 4 broad categories:

Compliance - The condition specifies matters to which you must comply. These conditions do not require the submission of additional details and do not need to be discharged.

Pre-commencement - The condition requires the submission and approval of further information, drawings or details before any work begins on the approved development. The condition will list any specific works which are exempted from this restriction, e.g. ground investigations, remediation works, etc.

Pre-occupation - The condition requires the submission and approval of further information, drawings or details before occupation of all or part of the approved development.

Bespoke Trigger - The condition contains a bespoke trigger which requires the submission and approval of further information, drawings or details before a specific action occurs.

Please note all conditions should be read fully as these headings are intended as a guide only.

Failure to comply with these conditions may render the development unauthorised and liable to enforcement action.

Where approval of further information is required you will need to submit a conditions application and pay the relevant fee, which is 116GBP per request (or 34GBP where it relates to a householder application) and made payable to Mendip District Council. The request must be made in writing or using the Standard Application form (available on the council's website www.mendip.gov.uk). For clarification, the fee relates to each request for the discharge of condition/s and not to each condition itself. There is a no fee for the discharge of conditions on a Listed Building Consent, Conservation Area Consent or Advertisement Consent although if the request concerns condition/s relating to both a planning permission and Listed Building Consent then a fee will be required.

2. In determining this application the Local Planning Authority considers it has complied with the aims of paragraph 38 of the National Planning Framework by working in a positive, creative and pro-active way.
3. The responsibility for ensuring compliance with the terms of this approval rests with the person(s) responsible for carrying out the development. The Local Planning Authority uses various means to monitor implementation to ensure that the scheme is built or carried out in strict accordance with the terms of the permission. Failure to adhere to the approved details will render the development unauthorised and vulnerable to enforcement action.
4. Please note that your proposed work may also require Building Regulations approval, which is a separate consent process to the consideration of a planning application. The Council's Building Control team are available to provide Building Regulations advice from pre-application stage to completion of a development and can be contacted on 0300 303 7790. NOTES

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Local Planning Authority to refuse permission or to approve it subject to conditions, you may appeal to the Secretary of State under Section 78 and 79 of The Town and Country Planning Act 1990, Section 20 of The Planning (Listed Building and Conservation Area) Act 1990 or Regulation 15 of The Town and Country Planning (Control of Advertisements) Regulations 1992.

- You must appeal within 6 months of the date on the decision notice (12 weeks for Householder applications, 8 weeks for Advertisement consent)
- Appeals must be made using a form which is obtainable from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at: <https://www.gov.uk/appeal-planning-decision>
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

PURCHASE NOTICES

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part V1 of the Town and Country Planning Act 1990 and/or Section 32 of The Planning (Listed Building and Conservation Area) Act 1990.

COMPENSATION

- In certain circumstances compensation may be claimed from the Local Planning Authority if permission or consent is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.
- These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990, Section 27 of the Planning (Listed Buildings and Conservation Areas) Act 1990 and, in respect of Tree Preservation Orders, Section 203 of The Town and Country Planning Act 1990.

NOTES IN RESPECT OF ALL APPLICATIONS

- Although Planning Permission or Advertisement Consent may have been granted, should the proposed work involve the demolition, alteration or extension of a Listed Building, Listed Building Consent may also be required before work commences.
- If Planning Permission has been granted for the development, should this involve any work within the highway such as the construction of a vehicular access, the consent of the County Council, as Highway Authority should also be obtained - <https://www.somerset.gov.uk/roads-and-transport/>
- This permission does not authorise you to stop up or divert a public right of way to enable the development permitted to be carried out. Separate legal steps are necessary for this and further information can be obtained from: <https://www.somerset.gov.uk/waste-planning-and-land/public-rights-of-way/>
- If planning permission has been granted for development involving the creation of one or more properties needing new addresses you will need to contact the Street Naming and Numbering department, Mendip District Council, for assignment of the official address/es.
