Details of the pre-application advice received

As quoted from her email:

"You will need to submit a new householder application and if the works have been undertaken then yes this would be a retrospective application.

You will need to submit a form and plans, as before. If you have not had the benefit of a free go on this property before, as it would be submitted within a year then you potentially could be eligible however this would be a judgement for the administrators when they are registering the application and depends on whether it is considered that the description is similar to previous. I would suggest that you submit the application and plans and include a covering letter providing details of your previous application and requesting a free go."

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

 No

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.
