Description:		I understand the intention for the site is to provide accommodation for golfers. A			
		that offers better quality accommodation is something we would be keen to sup principle. Things to consider here would include, how many units would be provid what sort of traffic generation this would create. As I am sure you are aware, the si			
		within the Conservation Area and the Article 4 Direction Area, deliberately includ both. It is also identified on the last appraisal as a positive building of townscape mits appearance is important to the overall CA, as well as having its own heritage			
		significance. It is therefore considered that it is important to preserve the frontage main host building, including the brick facade, roof, timber facia, windows and do discussed the need to replace the roof and we would be keen to retain the red relies the roof of the present of the prese			
		tiles here. If this was part of the proposal, I would suggest these tiles be incorporated repainting and tidying up of the frontage is likely to be fine, providing the feature mentioned above are retained. Whilst the host building holds historic value, it is appropriately suggested that the opicities into a term timber at teaching and that the opicities into a term timber at teaching and the timber at the providing of the control of the			
		acknowledged that the existing single storey timber extensions are not considered positive contribution to the site, or the CA, so replacing these with something more sympathetic is likely to be supportable. Overall, provided the traditional elements			
		host building are retained, replacement of the timber extensions, with the right de- and sensitive to the CA, is likely to be an enhancement to the site as a whole. We a discussed the possibility of replacing the fence which forms the front boundary, wi something more attractive and sympathetic. The idea of hedging around the site			
		something more attractive and sympathetic. The idea of nedging around the site be in keeping with the Conservation Area, and provide a softer frontage. This wou therefore be a good option.
