Details of the pre-application advice received

Advice Part 2 - The application was determined based on the original submission. I would therefore advise making a new application for the proposed amendments discussed.

Advice Part 1 - There is some concern over the rear gables and the resultant depth and prominence of the flank roofslope meeting Green Belt policy. There is no in principle objection to the infilling at the rear however it is suggested that the rear gable roofs are hipped to reduce their mass. Please see attached.

If the above amendments can be made and sent back to me, the application can be recommended for approval under this submission.

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

- No

# Certificate Of Ownership - Certificate A

\* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.
