

**Listed Building Consent Application for replacement of 6 window frames,  
casements and glazing on south east elevation**

**Corner Cottage, Puddington, Tiverton EX16 8LW**

**Ref: 23\_01915\_LBC**

**Schedule of Works**

**Window Replacement**

Remove, with care, all existing windows and dispose of in an appropriate manner.

Clear loose material from openings with minimum disturbance to existing internal plaster and external render.

Inspect and ensure lintel support is in good condition and treat and repair where necessary.

Replacement windows, manufactured by a specialist, to be installed by a professional contractor.

Make good internal and external finishes to match the existing as closely as possible.

Decorate frames to match those removed with white gloss paint.
