Hi Sarah,

Thanks for getting back to me. I am positive that I answered your questions below but I will send again:

1. Yes
2. T11 - Remove limb of neighbour's chimney stack. Crown raise to 4m above Car park. Remove all deadwood for safety reasons (overhanging car park).
3. T14 & T16 Remove all deadwood and dieback. Crown reduce by 2-3m.

I do hope this helps and your acknowledgement will be greatly appreciated.

Kind regards

Karen

Subject: Tree Works Application - Thornhill Baptist Church, Thornhill Park Road, Southampton

Dear Neil

Thank you for submitting a tree works application for the above location.

To allow me to register your application please could you clarify the following:

The "No" box was ticked to indicate that there are no concerns over the health of the tree but a PICUS report was included. Please could you confirm if you have any concerns about the health of the tree(s) and if the "Yes" box should have been ticked.

T11 – Please could you confirm if you are removing the whole branch back to the trunk? If not, please could you specify how much you are intending to remove.

T14 & T16 – Please could you specify how much you are intending to reduce the selected branches by.

If you can email me this information I will add it to your application.

I have attached your application should you need to refer to it.

Regards, Sarah
