This Message originated outside your organization.

FAO Fay Humpherson

Thank you for your letter dated 17th November. My comments on your various points are as below:

1. Yes, the application should have been a householder application, this was an error on my part. How can I now change this? Is the fee paid now incorrect?
2. The certificate of ownership should be A. The property is owned solely by my wife Teresa Hounsham and myself.
3. 4. 6. and 7. I will revise these drawings and email them you you. If they still won't scale, I will have to deliver paper copies to your office. How many copies of each drawing do you need?
5. I give confirmation to withdraw my Habitats Regulations Assessment from the application. I did not realise that you did this.
8. I did attach an AONB statement to my application, perhaps it got lost somehow. I have attached a copy to this email.

Thank you for your help. Please let me know if you need anything else.

Best wishes

Alan Hounsham
