Dear Mr Frost

Thank you for your letter dated 14th December informing us of the planning application at Plot 5 Earnley (Meadows) Gardens, Almodington Lane, Earnley, West Sussex, PO20 7AF.

Having looked at all of the drawings we request that drawing No 199/3.001REV07 is corrected to show the correct boundary of plot No 5 which currently is incorrect. The current drawing is showing the plot edged in red to include the entrance road into the site which gives access to plots 1,2,3,4 & 5. This entrance road will be adopted by a management company of which all 5 householders in Earnley Meadows will be Directors and shareholders. Drawing No 199/3.001REV07 needs to show the entrance road edged in blue and not red.

We cannot accept the current application unless this drawing (which we believe has been inadvertently drawn incorrectly) is corrected.

With best wishes

Stella and Mar6n Hadley
Plot 3, Earnley Meadows (Gardens) PO20 7AF
