Thank you for consulting us on this application.
The site lies within an area of multi-period archaeological potential. However, I consider it unlikely that these proposals, immediately adjacent to the existing dwelling, would have a significant below-ground archaeological impact and have no further comments to make in this case.

Yours sincerely,

[REDACTED]

[REDACTED] please don't take offence if I don't reply to say 'thank you'. If every UK adult sent 1 less courtesy email a day, we'd save over 16,400 tonnes of carbon a year – so please, think before you thank.
