## Description of Proposal

Please describe accurately the work proposed: \* (Max 500 characters)

As residents of an area adjacent to the Glasgow LEZ we would like to be able to move to an electric car. However there are few public charging points in Dowanhill, and we cannot reliably park near our house to run cables. We would thus like to create a charging bay in our back garden to be accessed from Kinnoul Lane. This will involve removing an existing fence (probably dating from 1940s), replacing it with a gate mimicing the fence and creating a parking area comprising 15% of our garden.

Has the work already been started and/ or completed? \*

No    Yes - Started    Yes – Completed
