Attn.Sharon O'Reilly

I am in receipt of your letter of invalidity and note the points you make although I don't think your second point about the description is a reason for invalidity. However,, I have no objection for the description change.

It would be helpful if you had a email address please to submit a Notice 1 to Surrey County Council Highways Dept. as trying to speak to anyone will be very difficult. I look forward to hearing from you.

Kind regards,

John
