HOW TO APPLY TO DISCHARGE CONDITIONS ON YOUR PLANNING PERMISSION

If the condition requires you to agree something in writing with the Authority before development commences then you will need to consider submitting these details at least 8 weeks prior to starting work. In order to submit your application, you can do so by one of the following options:

- Submit an online application using the Planning Portal online application service www.planningportal.gov.uk/
- Complete an application form online via the Planning Portal online Application service, www.planningportal.gov.uk/ printing it off and enclosing it with the correct plans, fee and details before sending it to Development Services.

The fee amount is £34 per request relating to 'householder' applications and £116 for any other full planning applications. The fee is payable for each submission (a single submission may be for more than one condition to be discharged).

COMMUNITY INFRASTRUCTURE LEVY (CIL)

If this application has been identified as being liable to CIL you should not commence development until the requirements and obligations under CIL have been established. If we require further information we will write to you requesting this. Where we already have clear information about the proposal and assumed liability we will issue a liability notice shortly. Further information can be found on our website at www.southglos.gov.uk/environment-and-planning/planning/community-infrastructure-levy

APPEALS AGAINST THE DECISION OF THE LOCAL PLANNING AUTHORITY (LPA)

If the applicant is aggrieved by the decision to refuse permission/consent for this proposal or to grant permission/consent subject to conditions, he may appeal to the Secretary of State for the Department of Communities and Local Government (SOS) in accordance with the provisions below. All appeals should be submitted on a form obtainable from The Planning Inspectorate, at the address below.

- (a) Refusal of planning permission for **Householder applications – within 12 weeks** (Article 37 of the Town & Country Planning (Development Management Procedure) (England) Order 2015)
- (b) Refusal of planning permission or permission granted subject to conditions - **within 6 months** (Section 78 Town & Country Planning Act 1990 (T & CPA) and Article 37 of the Town & Country Planning (Development Management Procedure) (England) Order 2015)
- (c) Refusal of Listed Building consent or consent granted subject to conditions. The SOS has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. He is not however required to entertain an appeal if it appears to him that permission for the proposals could not have been granted by the LPA, or could not have been granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development orders and to any directions given under the orders.

In the case of refusal of permission to develop land or refusal of Listed Building consent or the granting of permission or Listed Building consent subject to conditions whether by the LPA or SOS and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development works which has been or would be permission, he may serve on the Council in which the land is situated a Purchase Notice (or Listed Building Purchase Notice) requiring the Council to purchase his/her interest in the land in accordance with the provisions of Part VI, Chapter 1 of the Town & CP Act 1990 and Part 1, Chapter III of the Planning (Listed Buildings and Conservation Areas) Act 1990.

In certain circumstances (not applicable to Advertisement proposals) a claim may be made against the LPA for compensation where permission is refused or granted subject to conditions by the SOS on appeal or on reference of the application to him.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)
