The principle of development is supported by Officers. Officers do not have any immediate concerns with the design of the proposal but would need to see a full set of scaled and detailed plans in order to determine whether or not it was considered acceptable. Further information will be required to ensure the proposal is acceptable from a highways perspective, as with impact on neighbour amenity, sustainability, biodiversity, archaeology, air quality and fire safety.
Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following:  (a) a member of staff  (b) an elected member  (c) related to a member of staff  (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
