Dear Campbell,

I spoke with you recently regarding some work at Netherurd which is now in hand.

However, I have an issue at my house, Beechcroft, Medwyn Road, West Linton.

There is a large larch pulling over and in danger of falling.

I have attached photograph, location plan and completed the application form you kindly sent me earlier.

I trust this will be sufficient for your consideration however if more information is required, please contact me.

Regards
