Details of the pre-application advice received

This is a third application following two refusals of similar applications. The previous application (23/03502/HOU) took into account the reasons for refusal from the previous application (23/02979/HOU) however a rule change brought in after the application was submitted and registered resulted in refusal. We have now revised this in line with these new guidelines (HW-1 of the Hadley Wood Neighbourhood Plan (2023)).

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
