Northern Ireland – our online service is not currently available in Northern Ireland, if you have emailed us about plant location and maps for Northern Ireland, we will respond within 15 working days.

SGN will not explicitly grant approval for works to commence around our low and medium pressure gas assets, we would request you to work in accordance with the points below:

- All works should be carried out in accordance with HSG47 'Avoiding Danger from Underground Service' and SGN's 'Dig Safely' document.
- All safety information that has/or will be provided to you as part of your

- If you encounter any unrecorded plant on site please contact us.

SGN will enter into a consultation period if you are planning works near our Intermediate pipes:

- For single excavations we will consult with you when works are within 5m of an SGN IP asset.
- For multiple excavations we will consult with you when works are within 15m of an SGN IP asset.

For High-pressure gas assets:

- For all works around SGN HP assets we will enter into a consultation period with you to ensure you are working safely around our gas network.

If you have any questions about plant location online service, please contact us on 0800 912 1722 or if you have any system queries contact LineSearch on 03454377365.
