Description of the Proposal
Please note in regard to:
 Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. <u>View government planning guidance on fire statements</u> or <u>access the fire statement template and guidance</u>. Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
 Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or <u>view government planning guidance on determination periods</u>.
Description
Please describe details of the proposed development or works including any change of use
Please refer to the covering letter and supporting statement.
Has the work or change of use already started?

Biodiversity and Geological Conservation Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?
To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.
a) Protected and priority species ○ Yes, on the development site ○ Yes, on land adjacent to or near the proposed development ⊙ No
 b) Designated sites, important habitats or other biodiversity features ○ Yes, on the development site ○ Yes, on land adjacent to or near the proposed development ⊙ No
c) Features of geological conservation importance ○ Yes, on the development site ○ Yes, on land adjacent to or near the proposed development ⊙ No
Supporting information requirements
Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.
Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.
Your local planning authority will be able to advise on the content of any assessments that may be required.
Open and Protected Space Please note: This question is specific to applications within Greater London.
The Mayor can request relevant information about spatial planning in Greater London under <u>Section 346 of the Greater London Authority Act 1999</u> .
View more information on the collection of this additional data and assistance with providing an accurate response.
Open Space Will the proposed development result in the loss, gain or change of use of any open space? ○ Yes ○ No
Protected Space Will the proposed development result in the loss, gain or change of use of a site protected with a nature designation? ○ Yes ⊙ No

Foul Sewage		
Please state how foul sewage is to be disposed of:
