Dear Sir/Madam

Householder Planning Application: 48 Beeches Avenue, Carshalton, SM5 3LW

The applicant has instructed MJH Architects to submit a Householder Planning Application at the above property.

Permission is sought for the conversion of the loft into habitable accommodation and for alterations to the roof.

The following information is submitted as part of the application:

Completed application forms

Site Location Plan

Existing and Proposed Site Block Plans

Existing Floor Plans and Elevations

Proposed Floor Plans and Elevations

Completed CIL Form

The fee has been paid online by the applicant.

The Site

- 48 Beeches Avenue is a three-bedroom semi-detached two-storey house built in the early-to-mid twentieth century.
- The application boundary measures 338.07 square metres.
- The house is situated within an established residential area.
- The house is located on a predominantly west (front) to east (rear) axis.
- The external walls are faced in render and the roof is finished with concrete tiles.
- The roof form is pitched with hipped and gable ends.

Planning History

A review of the online planning history shows there have been no previous applications at this address.

The Proposal

- Permission is sought for the conversion of the loft into habitable accommodation and for alterations to the roof.
- The requirement for the additional space has been set out by the Applicant in their attached statement.
- The proposed gross internal area measures 27.00 sqm.
- The proposal will be most visible from the rear of the property as it is set over the rear half of the roof.
- The proposed crown roof will be 0.87m higher than the existing ridge line.
- The proposal will use high quality tiles that will enhance the overall appearance of the property.

- It is considered the proposal will not have a harmful impact on the amenity of the neighbouring properties or a detrimental impact on the street scene.

This is an important matter for the applicant, and we would therefore be grateful to maintain a dialogue with you throughout the processing of this application.

We trust the enclosed is satisfactory to enable you to validate the application. If additional information is required, please do not hesitate to contact us.

Thank you for your assistance on this matter.

Yours faithfully

Kate Harris
