

Letter from applicant

The application is for extensions to the property intended to allow for multi generations of the same family to live at the property.

The plans submitted would allow for an elderly relative to live in better accommodation than they have, changes would enable the living and bathroom areas to be adjusted to their current needs and for one's in later life. It would also provide for space for adult child on return from college.

The plans are not being submitted for any multi occupancy or renting (Air B'n B) reasons but, to enable better living facilities for 3 generations.
