

**Fire Safety Strategy (Part A)
Reasonable Exception Statement**

Site Address	48 Beeches Avenue, Carshalton, SM5 3LW	
Description of development	Conversion of loft to habitable space.	
Statement:		
The current fire safety measures are appropriate and will not be adversely affected by the development.		
Justification: The proposal will not result any changes to the current access routes. Suitable means of escape routes will provided and construction will be designed to minimise risk of fire spread.
