

Greendale Business Park Solar Proposal

The proposal is for 1,730 panels (Suntech 410Wp-datasheet attached) plus 934 panels (Suntech 415Wp- datasheet attached). All panels will be set at least 1m from the edge of the roof.

Mock up illustration of the position of solar panels

The panels on the shaded area below will provide a maximum generation of electricity to 1,096.91 kWp and we need confirmation that this is within permitted development
