## Description of Proposal

Yes

No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

New access will not be required as we will be using the existing access to the property. No new street. A hard standing will be required for the base of the proposed garden room. Draining will be supplied via guttering on the proposed build and on the ground.  
Scale and exact dimensions would be: 3.20m wide x 3m length and 3.50m to roof.

Does the proposal consist of, or include, a change of use of the land or building(s)?

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

We believe the addition would not require full planning permission based on the size and the fact that only one external wall (window and supporting wall) will need to be removed.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

This is our first stage in our application.

Select the use class that relates to the existing or last use.

**Please note that following changes to Use Classes on 1 September 2020:** The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Is the proposed operation or use

- Permanent  
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

We believe it should be considered so that if we are given authority to commence the project it will be the right thing to do to ensure the legality of any works that are carried out.

### Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes  
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent  
 The applicant  
 Other person

### Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- Yes  
 No

### Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
