## Eligibility

Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible.

The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.

The questions below will help determine if the proposals are eligible for this permitted development right.

### The current building and site

Has the building been vacant for a continuous period of at least 3 months immediately prior to the date of this application?

Yes

No

Has the use of the building, for a continuous period of at least 2 years immediately prior to the date of this application, been any of the following:

- For periods prior to 1 September 2020
  - Shops (Use Class A1);
  - Financial and professional services (Use Class A2);
  - Food and drink (Use Class A3)
  - Business (Use Class B1);
  - Medical or health services
  - Non-residential institutions (Use Class D1(a));
  - Crèche, day nursery or day centre
  - Non-residential institutions (Use Class D1(b));
  - Indoor and outdoor sports
  - Assembly and leisure (Use Class D2(e)), other than an indoor swimming pool or skating rink;
- For periods from 1 September 2020
  - Commercial, Business and Service (Use Class E)

Yes

No

Does the cumulative floor space of the existing building exceed 1,500 square metres?

Yes

No

Is any land covered by, or within the curtilage of, the building:

- in a site of special scientific interest;
- a listed building or land within its curtilage;
- a scheduled monument or land within its curtilage;
- a safety hazard area;
- a military explosives storage area;

Or, is the building:

- in an area of outstanding natural beauty;
- in an area specified by the Secretary of State for the purposes of enhancement and protection of the natural beauty and amenity of the countryside;
- in the Broads;
- in a National Park;
- in a World Heritage Site

Yes

No

### The proposed change of use

For applications, submitted before 1 August 2022, proposing a change of use to Dwellinghouses from Offices (Use Class B1(a)/E(g)(i)).

Is/Was there an Article 4 direction in place that has removed these specific permitted development rights?

Yes

No / Not relevant

Will all the proposed new dwellinghouses have gross internal floor areas of at least 37 square metres, and comply with the [nationally described space standard?](#)

Yes

No

Following the development, will every dwellinghouse in the building remain in use within Use Class C3 and for no other purpose, unless that purpose is ancillary to the primary use as a dwellinghouse?

Yes

No

## Agricultural tenants

To be eligible for this permitted development right, all parties to any agricultural tenancy agreements that are currently in place need to provide consent.

This is to help ensure that agricultural tenants are not displaced to allow a change of use to be carried out.

Is any part of the land covered by or within the curtilage of the building to be demolished occupied under any agricultural tenancy agreements?

Yes

No

## Fire Safety

Where the building (as proposed) exceeds certain limits, legislation has been put in place to ensure the adequate consideration of fire safety by the Local Authority (including its decision to grant prior approval) and other relevant parties.

Would the proposed development result in a building that contains one or more dwellinghouse, and is:

- 18 metres or more in height (as measured from ground level to the highest part of the roof); and/or
- Contains 7 or more stories

Yes

No

## Description of Proposed Works, Impacts and Risks

### Proposed works

Please describe the proposed development including details of any dwellinghouses and other works proposed

Change of use of the upper floor 4 office units into 4 x 1 bedroom flats with use of existing parking on site at 141 Milton Road.

Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

All habitable rooms have ample windows and natural light.

What will be the net increase in dwellinghouses?

4

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses in the existing building prior to the development.

### Impacts and risks

Please provide details of any transport and highways impacts and how these will be mitigated, particularly to ensure safe site access

Existing parking for the site is maintained. 5 existing parking spaces for the use of 4 x 1 bed flats. Site access and parking arrangements therefore are not changing from what is existing.

Please provide details of any contamination risks and how these will be mitigated

N/A

Please provide details of any flooding risks and how these will be mitigated.

The flat units are located on the first floor with their own access from the rear of the site which is in Flood Zone 1. The finished floor level is also higher than external floor level at the entrance door. Access and escape is available from the North. see FRA for further information

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).

[Check if your site location is in Flood Zone 2 or 3 online](#)

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Please provide details of the impacts of noise from any commercial premises on the intended occupiers of the new dwellinghouses and how these will be mitigated

All sleeping accommodation is kept away from commercial noise from the plant areas and roof areas of the ground floor units. Similarly the façade that faces the ground floor plant area is used for a hallway as access to the flats and not as habitable rooms.

If the building is located in a conservation area, and the development involves a change of use of the whole or part of the ground floor. Please provide details of the impacts that the change of use will have on the character or sustainability of the conservation area and how these will be mitigated

N/A

If the building is located in an area currently in use for general or heavy industry, waste management, storage and distribution, or a mix of such uses.

Please provide details of the impacts on intended occupiers of the development of the introduction of residential use in the area and how these will be mitigated

N/A

If the proposal involves the loss of services provided by a registered nursery, or a health centre. Please provide details of the impacts on the local provision of the type of services lost and how these will be mitigated

N/A
