

## **2 Wharton Road, Headington, OX3 8AH**

### **Daylight or Sunlight Assessment**

2 Wharton Road is an east west orientated plot, the house being to the north side of the adjacent semi-detached dwelling.

The proposal is for an infill ground floor rear extension which will be in line with an existing extension at No 4, and a 1.3m wide side extension to the north of No2 and situated at the end of the gardens of the houses along the London Road.

As such, there is not any daylight or sunlight detriment to any adjoining properties.
