Details of the pre-application advice received

"There is currently a greenhouse located within the north-eastern corner of the garden. It is proposed to remove this greenhouse and to erect a new greenhouse towards to southern part of the garden. In principle the erection of a new greenhouse in this location would be acceptable. Any future application should however provide plans and elevations of such structure so Officers can assess if its scale, design form and appearance would be appropriate within the setting of the listed barn and conservation area. "
