Good afternoon

We refer to your application in respect of the above, please annotate the attached map to show where the Yew belt is located and return to this email address

The Horse Chestnut on the proposal is subject to a Tree Preservation order and will be split from the conservation area application.

On item 12 – please clarify the work require either crown thin or reduction. If you require a crown thin then state the percentage of crown thinning required.

On item 21 – please specify the work required and provide an extent of reduction in metres.

Regards,
