

**Fire Safety Strategy (Part A)
Reasonable Exception Statement**

Site Address	7 Kingsley Avenue Sutton Surrey SM1 3RE	
Description of development	Erection of a part one, part two storey side/rear extension and conversion of garage into a habitable room with associated alterations to front fenestration and installation of a second entrance door.	
Statement:		
The current fire safety measures are appropriate and will not be adversely affected by the development.		
Justification:		
The existing means of escape / escape routes are maintained and unaltered including the number of exit arrangements, and new front and rear facing windows to the first floor side extension will be egress windows.
