Dear Lisa

**Re: Benwick Community Primary School, High Street,
Benwick, March, PE15 OXA**

I would be grateful if you could submit a Regulation 3 planning application for the above primary school.

Benwick Primary School provides accommodation for 120 pupils. This application is to replace the temporary mobile which provides accommodation for 60 pupils with a permanent building in the same location.

In addition, there will be some internal remodelling required to update the existing school toilets, create a new hygiene room and staff toilets to ensure the internal accommodation meets the needs of existing pupils and staff.

Yours sincerely
