Hi

Using the existing app and the below can we set up a second TDD.

Thanks

Zoe Baker TechArborA

Tree Officer

You don't often get email from [REDACTED] [Learn why this is important](#)

[CAUTION]This email was sent from **outside of your organisation**. Do not click any links, preview or open attachments, or provide any log-in details unless you recognise the sender and know the content is safe.

Hi there

We recently email regarding a tree we believe is falling down and dangerous to seek permission to remove. The tree surgeon has been and advised we need both trees removing as one has fallen on to the other and is now pushing all the roots up and he believes both are dangerous

I believe he spoke with someone today? Please can you confirm we are okay to proceed?

Thanks
